## *Sang Hyup Lee*

Associate Professor of Economics  
Charles Blackwell Endowed Professor of Economics

College of Business  
Associate Professor

Department of Business Administration & Finance  
slee@selu.edu

---

### Professional Interests

**Research:** Telecommunications and Economic Growth

**Teaching:** Industrial Organization, Microeconomics, Economics of Information

### Academic Background

Ph.D. University of Florida, Gainesville, FL, U.S.A., Economics, 1999

M.A. Korea University, Seoul, Korea, Economics, 1988

B.A. Korea University, Seoul, Korea, Economics, 1985

### Courses Taught

Industrial Organization and Public Policy

Intermediate Microeconomic Analysis

Managerial Economics (MBA & EMBA)

Principles of Macroeconomics

Principles of Microeconomics

### Refereed Articles
