

### **CHEMISTRY PROGRESSION POLICY**

Students pursuing the degree of Bachelor of Science in Chemistry must meet both of the following progression standards:

- a. Students may not repeat any of the following courses more than once: CHEM 121, CHEM 122, CLAB 123, CLAB 124, and MATH 200.
- b. Students must successfully complete CHEM 121, CHEM 122, CLAB 123, CLAB 124, and MATH 200 with a grade of “C” or better by the end of the 4th regular semesters following the declaration of a major in chemistry.

Students with exceptional circumstances must have an alternative progression plan approved by the Department Head. Students who do not meet these standards will not be allowed to continue in the chemistry major.
